## Frequently Asked Questions

**Is a cake included with the party package?**  
 Birthday cakes are not included with the party packages. Cakes (including ice cream cakes), cupcakes and/or ice cream can be accommodated.

**Can we bring outside food for our party?**  
 We do not allow outside food and beverages with the exception of cake and ice cream. We do make exceptions to this rule for special diet restrictions.

**Do I include the birthday child in the head count?** Yes

**How long do parties typically last?** Two hours.

**What is the schedule of the party?**  
 Once guests arrive, popcorn and pop will be served by the party captain. Once all guests have arrived, they will be asked to line up outside where they will be given golf instructions. Upon completing golf, guests will be served pizza and/or hot dogs and drinks. A skeeball or golf tournament will be held by the party captain for all guests to participate in. Game tokens will be distributed to the guests afterwards. Cake/ice cream, if any, will be served by the party captain and gifts can be opened at this time as well. Towards the conclusion of the party, the bill will be presented.

**I'm not exactly sure how many guests we will have. How does this work?**  
 When we make your party reservation we will be looking for a tentative number. As the date of your party approaches, you can help us by updating us on your number changes. Once you arrive for the party, you will be asked the number of guests expected to arrive. As the party proceeds, and more or less guests arrive, your bill will be adjusted accordingly. A minimum of 8 guests is required to book a party.

**What happens if we have inclement weather?**  
 You may reschedule your party in which your deposit will carry over to a future date. You may choose to continue your party despite the weather. If you wish to do this, extra game tokens will be distributed to the guests. The unused ride attractions will be distributed and can be redeemed for a later date.
